

Pixie pocket Pouch

Designed by Ola Ogunlolu

Size

Length: 6.5cm (2.6 in)

Width: 6 cm (2.4 in)

What you'll need

- Approximately 23 yards (21 m) of fingering weight yarn in your main color and scrap amounts in 6 colours – I used Cream and Grey

for my main colours and scraps of Red, Orange, Yellow, Green, Blue and Pink.

- A 2.5 mm hook
- 1 small button
- Darning needle
- Measuring tape

Pattern notes

- This pattern is written in US terms
- This pouch is worked from the bottom up, and worked in joined rounds until round 10, after which you begin working in a continuous spiral. The cover flap is then worked last, in rows.
- The chain one at the beginning of each row / round does not count as a stitch

Abbreviations:

- Ch – chain
- Sc – single crochet
- Sc dec – Single crochet decrease
- St - stitch
- Sl st – slip stitch
- Blo – Back loop only
- Sk – skip

Pattern:

Beginning with your main colour, ch 8

Base:

Round 1: 3 sc in second chain from hook, 1 sc in next 5 chains, 5 sc in last chain.

Continuing to work on the other side of the chains, sc in the next 5 chains. 2 sc in last chain. Sl st to first sc to join. (20 sc)

Round 2: Ch 1 (does not count as a stitch).

2 sc in each of the first 3 sts. Sc 5. 2 sc in

each of the next 5 sts. Sc 5. 2 sc in each of the last 2 sts. sl st to join. (30 sc)

Body:

Round 3: Ch 1 (does not count as a stitch). Working in the BLO, sc around. (30 sc in blo)

Round 4: Ch 1 (does not count as a stitch). Sc in each st around. Fasten off. (30 sc)

Round 5 – 10: Repeat round 4, using a new colour on each round. I worked in the sequence - pink, blue, green, yellow, orange, red, but feel free to get as creative with your colours as you wish.

Reattach your main colour and begin to sc around in a continuous spiral without joining, until your pouch measures 6 cm (2.4 in). End on a stitch at the CORNER of your pouch.

(Note: The side of the pouch that the flap is worked on will become the back, so I suggest ending on the corner right BEFORE the side you would like to be the front)

Cover Flap:

Ch 1 and turn

Row 1: sc in the next 15 sts. Ch 1 and turn (15 sc)

Row 2 – 3: Repeat Row 1

Row 4: Sc dec, 11 sc, sc dec. Ch 1 and turn (13 sts)

Row 5: Sc dec, 9 sc, sc dec, Ch 1 and turn (11 sts)

Row 6: Sc dec, 1 sc, chain 4, sk the next 5 sts, 1 sc, sc dec. Ch 1 and turn (4 sts and 4 chs)

Row 7: 1 sc in each of the 1st 2 sts. 3 sc around chain. 1 sc in each of the last 2 sts. Ch 1 and turn (7 sts)

Row 8: Sc dec, 3 sc, sc dec. Ch 1 and turn (5 sts)

Row 9: Sc dec, 1 sc, sc dec. Ch 1 and turn (3 sts)

Row 10: 3 sc. Fasten off

Sew on the button on the front of the pouch approximately 1.5 cm (0.6 in) from the top and 3 cm (1.1 in) from the side. (I recommend holding / pinning the button in place first to check that it is in the right position to fit in the hole made in the flap and making any positioning adjustments if needed).

Weave in your ends and you're all done!
